

COPS'N'ROBBERS JUDGEMENT PAY

Each stake has a dedicated win plan.

Three Swag bags on the line start the board game, four start the super-feature directly.

Swag bags on the line add to the trail – light all for another way to activate the super feature.

Complete the Swag bag trail on the maximum stake to start the Super feature with both panels active.

Light 3 keys to start 'Stash the Cash' where each spin around the board builds up your cash.

Add to the Streak Spins meter for a winning streak.

Cashpot increases every game and can be won in any super feature.

Build up the column for higher paying features. They can light red too for even bigger wins.

Collect Swag bags to activate the 'Take It or Leave It' style Super feature:
3 bags activate the first level
4 bags activate BOTH panels – highest offer is awarded
3 red bags add BOTH offers together!

Turn all Red for 'Go All The Way'!!

(TIP OFF! – Look out while in the board for some hidden extras and the chance to play some classic features)
