name: **Deal or No Deal Double Take**

type: UK Cat C (AWP)

- Select **stake** (on £70)
- *Higher stake turns trails red*
- Fruits on winline add to **fruit ladder**; complete ladder for **enhanced feature entry**. Completing ladder while in feature awards **mega streak**
- Spin a reel win or **3 phones** tic-tac-toe to access **feature board**
- Move around feature board adding to **cash / feature trails** etc.
- Landing on a **box square** adds to **streak matrix** in **red** or **blue**. Complete for relevant streak: *mixed = streak, blue = super streak, red = mega streak*
- **Message from the banker** – a special **hint** appears in the **alpha**
- Light **3 phones** - from the feature board and/or the winline - to activate the **Deal or No Deal super feature**
- *Once active, player may exchange to super feature at any time*
- **Deal or No Deal super feature** is played on the **left hand panel** in the usual manner
- If **4 phones** are lit the "**Best Box** is activated: feature as before but when down to the last two values the better of the two is awarded
- After 4 phones have been lit, they start adding in **red**
- If **3 phones** are lit in **red**, when the last two values remain, "**Both Boxes**" is active and values on both reels are added together and awarded. **4 phones lit in red – jackpot guaranteed!**
- **Phone dial** is active on all stakes. The higher the stake the more segments lit, **all lit** on £1 play. When the dial spins and lands on win it gives **Deal Or No Deal Super Feature** (guaranteed on £1 play).
