name: **Deal or No Deal Gold**

type: [UK Cat C \(AWP\)](#)

**Another sure-fire winner
- pure GOLD!**

- Select stake (on £70)
- Higher stake turns trails red. Phones in view/online start DOND/Double DOND
- Fruits on winline add to **fruit ladder**; complete ladder for **enhanced feature entry**. Completing ladder while in feature awards **mega streak**
- Spin a reel win or **3 phones** tic-tac-toe to access **feature board**
- Move around feature board adding to **cash / feature trails** etc.
- Landing on a **box square** adds to **streak matrix** in **red** or **blue**. Complete for relevant streak: *mixed = streak, blue = super streak, red = mega streak*
- **Message from the banker** - a special **hint** appears in the **alpha**
- Light **3 phones** - from the feature board and/or the winline - to activate the **Deal or No Deal super feature**
- Once active, player may exchange to super feature at any time
- **Deal or No Deal super feature** is played on the **left hand panel** in the usual manner
- If **4 phones** are lit, **Double DOND** is activated: value eliminations and cash offers appear on **both** super feature panels
- If player chooses to **deal**, the **higher** of the two offers is **awarded**
- If all offers are rejected, the **mystery value** is revealed and **awarded**
- After 4 phones have been lit, they start adding in **red**
- If **3 phones** are lit in **red**, when player chooses to **deal**, **both offers** are **awarded**
- **4 phones lit in red - jackpot guaranteed!**
