name: **Monopoly Millionaire**

type: UK Cat C (AWP)

- **Millionaires' Row** large cash panel advertises the **jackpot** value
- Select **Stake** - *higher stake activates all 8 Winlines*
- **Houses** add to **Feature Entry matrix** - *can light red for super feature entry*
- Light a **row** or **column** in the **Matrix** or spin a **reel win** to access the **Feature Board** - squares on the Feature Board include ...
- **Add Cash/Feature** - adds to Cash/Feature trails
- **Community Chest** - adds to trail; collect any time for a **hint** in the **alpha**
- **Spin** - spins reels, giving more chances to fill **Feature Entry matrix**
- **Playing Symbol**- adds to **Streak trails**; light **3 of a kind** to win that Streak (*Streak, Super Streak or Mega Streak*)
- **Multi-add** - adds to **Cash/Feature trails, Streak trails, Feature Entry matrix**
- **Monopoly**- **increases values** on the panels in the **Super Feature**
- Fill the **Feature Entry matrix** to activate '**Auction**' **Super Feature**
- Once in the Super Feature **properties** are **eliminated** from the panels, followed by an **offer** to sell your mystery property
- Player may **Sell** (*accept the offer*) or **Refuse** (*reject the offer*)
- If all offers are **rejected**, the '**mystery value**' is revealed and **awarded**
- This value could be **Millionaires' Row**, a **winning streak** on the panel of large **cash values** above the feature
